Why Air Lift ProSeries?

What is ProSeries?

Air Lift ProSeries is an Installer-exclusive line of air suspension kits created for Installers who want to deliver professional value and compete with confidence.

ProSeries is only available through authorized installers and is not available for online purchase, giving you full control over pricing, service, and the customer experience.

ProSeries also offers a best in class warranty including up to \$100 labor reimbursement.*

Two Proven Systems. One Strategic Advantage.

ProSeries 77000 Series

Built on the LoadLifter 5000 platform

-  5,000 lbs. load-leveling capacity†
-  Reinforced nylon end caps
-  Most kits require no drilling into the vehicle's frame

ProSeries 93000 Series

Upgraded end caps and attaching hardware for added durability

-  Same core performance with 5,000 lbs. load-leveling capacity†
-  Anodized aluminum end caps
-  Most kits are no drill - plus stainless steel attaching hardware

†Never exceed manufacturer's recommended Gross Vehicle Weight Rating.

Why Installers Choose ProSeries?

No Internet Sales

ProSeries is not allowed to be sold online, so installers do not have to compete with Ecommerce part numbers.

Highest Consumer Rebates

You get the highest consumer rebate program Air Lift offers to further offset any competitive pricing comparisons.

Best-in-Class Warranty

Limited Lifetime Warranty PLUS up to \$100 labor reimbursement* for Air Lift Customer Service approved manufacturer's defect warranty claims.

ProSeries Priority Call Line

Not only do you get to talk to a real human, you get priority status in the call queue. When calling, select option 7 to advance in the line.
