

# Air Lift ProSeries Warranty Labor Reimbursement Steps

Exclusively for Authorized Installers

## ProSeries

Air Lift now offers warranty labor reimbursement as part of the ProSeries program—a new benefit designed to support our Authorized Installers.

Get up to \$100 to cover labor costs on ProSeries warranty claims.

### • Eligibility

- Product(s) must be purchased and installed by an Air Lift Authorized Installer.
- Reimbursement applies only to labor on Air Lift® ProSeries™ air spring warranty claims.
- Products installed by the consumer themselves do not qualify for reimbursement.

#### IMPORTANT:

- **ProSeries warranty labor coverage requires warranty registration within 90 days of purchase.**

Warranties that have not been registered within 90 days of purchase do not qualify for reimbursement.

## 1 Register Your Warranty\*

If you have already registered your warranty, skip to step 2.

- Take a photo of your sales receipt to be used in the registration process.
- Scan the QR code or go to: **[airlift.com/ProReg](http://airlift.com/ProReg)** to complete your online warranty registration.

## 2 Claim Your Reimbursement

- Take a photo of the manufacturer defect part and warranty labor invoice to be used in the warranty labor claim process.
- Scan the QR code or go to: **[airlift.com/laborclaim](http://airlift.com/laborclaim)** to complete your online ProSeries warranty labor claim.

### • Questions?

Please allow 6-8 weeks after verification for reimbursement check processing. Direct all inquiries about your reimbursement to: [service@airliftcompany.com](mailto:service@airliftcompany.com).
