ProSeries™

Air Lift Installer Exclusive | Not available online

Two Proven Systems.

Air Lift ProSeries™
77000 Series
Pro Grade
Load Leveling

Air Lift ProSeries™
93000 Series
Featuring Aluminum
Anodized End Caps

Why Installers Choose ProSeries?

No Internet Sales

ProSeries is not allowed to be sold online, so installers do not have to compete with Ecommerce part numbers.

Best-in-Class Warranty

Limited Lifetime Warranty PLUS up to \$100 labor reimbursement* for Air Lift Customer Service approved manufacturer's defect warranty claims.

Highest Consumer Rebates

Higher rebate programs and periodic counterperson SPIFFs.

ProSeries Priority Call Line

Not only do you get to talk to a real human, you get priority status in the call queue.

ProSeries Product Features

5,000 lbs. load-leveling capacity*

Aluminum anodized end caps for enhanced durability and longevity (9300 Series)

Stainless steel attaching hardware provides superior corrosion resistance (9300 Series)

Roll plates protect the air springs

Air adjustable from 5 to 100 PSI

Most kits are compatible with 5th wheel and gooseneck hitches

Most kits require no drilling into the vehicle's frame

*Never exceed manufacturer's recommended Gross Vehicle Weight Rating.

**ProSeries labor warranty coverage requires registration within 90 days of purchase. Air Lift manufacturer's defect warranty labor claims must receive authorization prior to warranty work being completed by Air Lift Authorized Installer. Go to: airlift.com/warranty for complete warranty details.

Go with the Pro

Air Lift ProSeries is an Installer-exclusive line of air suspension kits created for Installers who want to deliver professional value, and compete with confidence.

ProSeries is only available through authorized installers and is not available for online purchase, giving you full control over pricing, service, and the customer experience.

ProSeries also offers a best in class warranty including up to \$100 labor reimbursement.**
