

# Experience the **Anchor Difference**

Industry-Leading Availability & Coverage Since 1933

DECEMBER, 2025

# 2025

## YEAR IN REVIEW

In 2025, Anchor Industries reached another milestone with the introduction of 109 new high VIO part numbers, expanding coverage to more than 25,015,580\* vehicle applications through model year 2026.

Anchor continues to lead the industry by broadening its portfolio across domestic, European, and Asian vehicle platforms. Our commitment to ongoing SKU development ensures unmatched market coverage, superior availability, and valuable first-to-market sales opportunities for our partners.

**For full program details, please reach out to your local sales representative or contact our customer service team at the number below.**
